

DEAR PARENTS OF GRADUATING SENIORS 2020

WE NEED YOUR SENIOR MEMORY PHOTO COLLAGE BY MAY 29th!

We are asking for a **MEMORY COLLAGE** of your son or daughter to be displayed at the Grad Night Event. Possible photographic themes include pictures of your graduate involved with sports, hobbies, friends, or a pictorial history. Copy the original photographs and then **you assemble the collage**. Enlarge or reduce the collage to fit an 8 1/2" x 11" format. Kinko's or Staples can easily do that for you. Snapfish, Pic Collage or any other collage app may be the easiest options. The finished collage should be on regular bond paper, or photo paper, photos on one side only, and **printed in color or black and white**. Do not laminate the collage or mount it on cardboard or any other material. **We will mount each collage and label it**. **Print your graduate's name clearly on the BACK**. Use as few or as many photos as you like. See samples enclosed.

Be sure your graduate is not left out! Students love to see their pictures and those of their friends. This gives them a chance to reminisce before they go their separate ways. Remind your senior **Grad Night is the last night they will be together!** Encourage them to attend. Once they're there, they will really be glad they came!

Please print your graduate's name clearly on the back of the collage. Mail them to:

Renee Lee > 155 Tomales St Sausalito CA 94965

For more information - please contact

Renee Lee (415)302-8667 /rlee315415@gmail.com

You can also drop the Collage off in the GRAD NIGHT box at Redwood in the mailroom next to room 114A. Please write memory collage on the front of the envelope.

Please have your Memory Collage in by May 29th!

**If you ask your senior if he or she wants to do this, they might say no – but please know they often regret this decision at grad night, so you might want to surprise them. Everyone really enjoys seeing their classmates' pics!

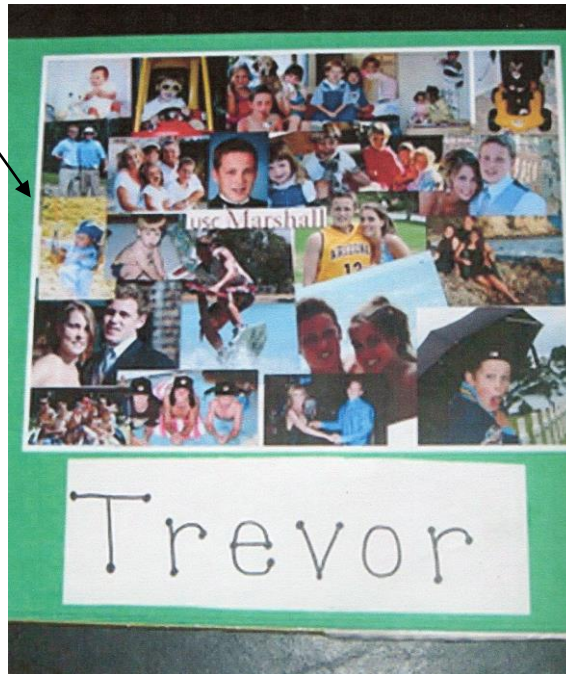

Your graduate should take his or her memory collage at the end of the evening if they wish to keep them. We will not be able to save them, unfortunately.

Coordinating this project is very time consuming. Please respect the due date and start planning now. Last minute additions are just not an option, so don't miss out!

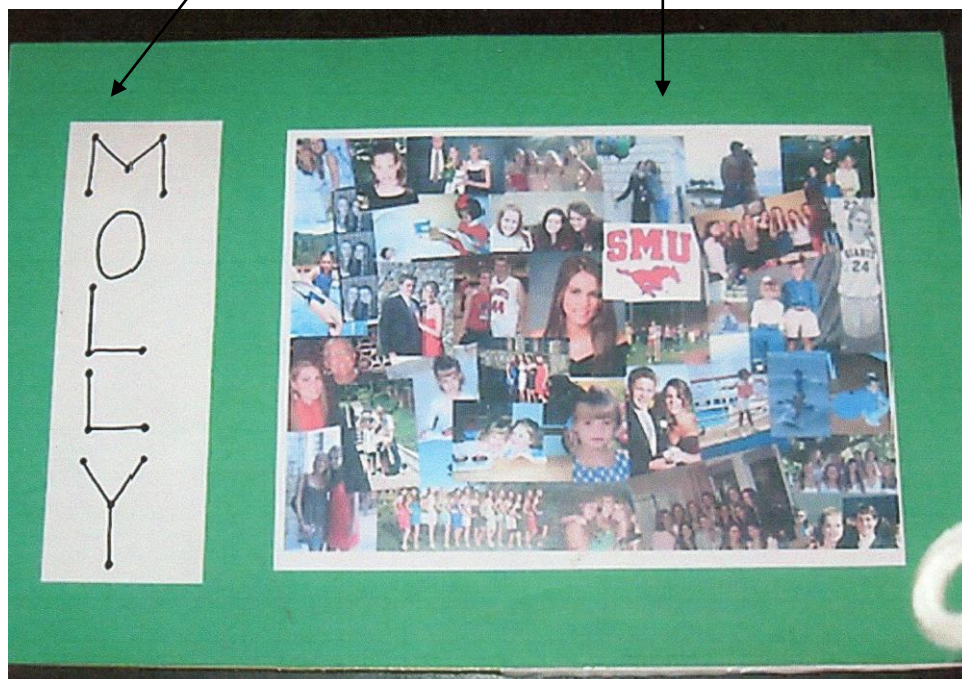

Thanks in advance > Best - RENEE
